

G.R.E.A.T. Song from Costa Rica (English version)

Produced by Minor Rojas Gutierrez and Martin Alvarado Loria

The server and the messenger,
From Costa Rica to the entire world
Kids, don't let yourselves be deceived by those men
who want to see you destroyed and deep into drugs
Say no to the gangs, say no to vices

Resistance, education, also training
G.R.E.A.T. works well in my nation
We want to help you, also to advise you
Come here and listen, you'll be part of G.R.E.A.T.
Resistance, education, also training
G.R.E.A.T. works well in my nation
We want to help you, also to advise you
Come here and listen, you'll be part of G.R.E.A.T.

Hello, how are you? God bless you
You don't know what G.R.E.A.T. is...gang resistance
Creating within you the basis of an accomplished person
A great person...drug free, focused
Everything is a process, my friend, I'm going to explain to you
Where this begins: during school years
You have to control your anger
We have to respect different opinions

Set yourself a goal, make the decision
Of being a person with a profession
We will look for a solution to every problem
Communication is always very important

Keep calm when things begin to get tough
Be calm, breathe to control your anger
No one will blame you for knowing how to say "no"
On the contrary, they are going to respect you for it

Resistance, education, also training
G.R.E.A.T. works well in my nation
We want to help you, also to advise you
Come here and listen, you'll be part of G.R.E.A.T.

What is the difference between dropping out and studying?
With the G.R.E.A.T. program we want to help you
In our countries from the North to the South
Gangs exist, like nightmares

Move forward with the program, it gives you many moral values
Across the continent, creating a good environment
Move forward with the program, say no to gangs
The years, the experience with very good beliefs

They don't want you to study
They give you easy money
They exploit, kidnap, and kill girls,
Gangs exist on this continent
It is heard everywhere; we don't like this

We come here with G.R.E.A.T. to train you
We want to keep you away from the vices on the street
Let's all work together without fail, we have to fight
We are fighting to stop school bullying

Resistance, education, also training

United States, Guatemala, Belize, Honduras, Nicaragua, Panama, Costa Rica, and El Salvador
They all say no to drugs, they all say no to the gangs
Kids, enjoy your life; you deserve better things than the ones the street offers
